DOMUS AUSTRALIA

Your home away in Rome!

Harvest Journeys proudly supports Domus Australia, a beautifully restored boutique guest house in the centre of Rome, Italy.

Domus Australia offers a calm and welcoming refuge from the busy tourist pace of the Eternal City.

It was established by the Catholic Archdiocese of Sydney by Cardinal George Pell, undergoing a three-year restoration before Pope Benedict XVI formally opened it in October 2011.

Pilgrims who stay at Domus Australia will enjoy its comfortable and welcoming environment, providing a unique and authentic Roman experience.

Domus Australia is much more than a place to rest, it is a religious and cultural centre for pilgrims to Rome. As well as offering very comfortable accommodation for pilgrims, it provides a unique Catholic pilgrimage experience, with daily Mass in English and helpful, approachable staff to assist with your stay in the Eternal City.

"The goal is that Aussie tourists in Rome will become pilgrims by coming here, they will be helped to see the spiritual purpose of being in Rome. That Rome isn't just one of the most beautiful and historic cities of the world, but it is also the spiritual heart of the Catholic Church."

– Archbishop Anthony Fisher OP

"Domus Australia has brought a little corner of Australia to the ancient city of Rome. May the Domus now be blessed by the passage of many pilgrims!"

– Pope Benedict XVI, Opening & blessing of Domus Australia, 19 October 2011
