Good morning/ evening Parish of My name is

Thank you, Father and congregation, for allowing me come and speak briefly to you.

The CWF supports six **vital ministries** within our Archdiocese

The **Ephpheta Centre** is a special ministry for the deaf and hard of hearing.

Chaplaincy Services are places of comfort and friendship to those in universities, hospitals, aged care facilities and prisons.

Aboriginal Catholic Ministry serves our Indigenous communities.

CatholicCare cares for the elderly, those afflicted addiction and mental health issues, young parents, the unemployed.

The Confraternity of Christian Doctrine is a dedicated team of Catechists that weekly bring the Good News to 30,000 students in over 400 schools.

And finally, the **Seminary of the Good Shepherd**, where the heart and future of the Catholic Church begins, the training ground for our future priests.

Across the parishes within our Archdiocese, we are responsible to support these Catholic works to **demonstrate God's love**.

Your valuable donations contribute to the service of the **most vulnerable** in our communities.

With **your generosity and love**, we are able to serve the most vulnerable in our family, and give them a future.

It is my pleasure to be here today and appeal to your generosity and charity. You will notice these **envelopes on your pews** [hold up an envelope], where you can donate. There is also a convenient and secure online option.

Thank you for your time and attention. I would now like to play a short video.
